Hem Fabric 12 x 40 1/2"

Directions

Use 1/4" seam allowance unless otherwise noted

1. With right sides up lay the hem fabric open. Fold trim fabric with right side out matching raw edges, iron flat and lay on top of right side of hem fabric
2. Lay right side of main fabric DOWN on top of trim. Roll bottom of main fabric up until the bottom of the hem fabric shows.
3. Fold the hem fabric OVER the top of all layers and sew seam. Pull case out from inside the hem fabric.
4. Sew wrong sides together on sides and bottom with less than 1/4" seam
5. Turn wrong side out and sew sides and bottom again with a little more than 1/4" seam. Press
